

Flag Requests

"We take the stars from heaven, the red from our mother country, separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down to posterity representing liberty." -George Washington

Constituents can request that our office purchase U.S. flags from the Congressional Supply Office and have them flown over the Capitol. We do NOT profit from any purchase. If you'd like to place an order, complete a flag request form and mail it with your check to Rep. Eshoo's district office. Please allow at least one month for flags to be flown and shipped.
