Rep. Eshoo's Statement on the Passing of Rep. Tom Lantos

February 11, 2008

PALO ALTO, CALIFORNIA — Congresswoman Anna G. Eshoo (D-Palo Alto) issued the following statement today on the passing of her colleague Congressman Tom Lantos:

"The Congress and our country have lost a great champion of human rights today. For almost three decades Tom Lantos was the most eloquent voice for the voiceless here and around the world.

"Tom's life story is an American story, having survived the Holocaust and become a Member of Congress. His leadership for working families and the environment earned him the regard of his constituents and the respect of his colleagues.

"My prayers are with wife Annette, their daughters Annette and Katrina, and the entire Lantos family as well as his dedicated staff."
