

Student Resources

Welcome to the Student page! This area is designed to help students with their many questions about government and provide helpful information to assist with school papers about the legislative process.

Students - Review the right hand side navigation to find links that are helpful to students to find government resources. Are you working on a report for school? Would you like to know more about how our government works? Do you need some help finding educational resources? Would you like to know more about some of our nation's service organizations?

Kids - Here are links for government websites designed specifically for children. Many of them are interactive and fun to use.

14th Congressional District Student Advisory Board -- Learn about Congresswoman Eshoo's Student Advisory Board, read previous board reports and apply to be on the next board.
