

## Community Office Hours

I'm pleased to announce that Congressional staff is available to meet with you once a month from 11:30 a.m. to 1:30 p.m. in the communities of Ben Lomond, Boulder Creek, Felton and Scotts Valley, in addition to Palo Alto where our office is open Monday through Friday, 8:30 a.m. to 5:30 p.m.

Every day our office works with constituents to resolve problems encountered with federal agencies such as the IRS, the BCIS, the Social Security Administration, and the Veterans Administration. We can assist with military academy nominations, consumer information, U.S. flag requests, passports, state department warnings and internships, as well as your visit to Washington, D.C.

Just give our office a call at (831) 335-2020, (650) 323-2984, or (408) 245-2339, to set up an appointment before you come or if you have any questions.

We look forward to meeting with you!
