

Rep. Eshoo Announces Rescheduled High Speed Rail Town Hall Meeting

On Wednesday, August 26th, Rep. Anna G. Eshoo will host a Town Hall Meeting to discuss High Speed Rail. Experts from the High Speed Rail Authority and Caltrain will make presentations and answer questions.

In November, 2008, Californians passed Proposition 1A, the Safe, Reliable High-Speed Passenger Train Bond Act for the 21st Century. How this will impact local communities has been the subject of considerable debate.

The meeting will be held at the Menlo Park City Council Chambers from 7:00 p.m. to 8:30 p.m.

If constituents are not able to attend, they can watch the Town Hall Meeting live via webcast at <http://eshoo.house.gov> . They can also submit questions for the panelists through AskAnna@mail.house.gov .

The location is wheelchair accessible and parking is available. For more information, constituents can visit Rep. Eshoo's website at <http://eshoo.house.gov> or call her District Office at (650) 323-2984 or (408) 245-2339.
