The Honorable Kay Granger,
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman DeLauro and Ranking Member Granger,

I am requesting funding for Fencing for Caltrain Right of Way project in Fiscal Year 2023. The entity to receive funding for this project is the Peninsula Corridor Joint Powers Board, located at 1250 San Carlos Ave, San Carlos, California 94070. The funding would be used to add winglets to existing Caltrain fencing as part of a series of safety improvements intended to increase safety, including suicide prevention, along the Caltrain corridor. Installation of winglets makes it more difficult for individuals to enter the tracks, keeping them out of harm's way.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Anna G. Eshoo
Member of Congress
