Housing and Urban Development, and
Related Agencies
House Committee on Appropriations
H-307 The Capitol
Washington, D.C. 20515

The Honorable Mario Diaz-Balart,
Ranking Member
Subcommittee on Transportation, and
Housing and Urban Development, and
Related Agencies
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Price and Ranking Member Diaz-Balart,

As you begin your critical work on the Fiscal Year 2023 Transportation, and Housing and Urban Development, and Related Agencies Appropriations bill, I strongly urge you to include \$796,400 for the City of Pacifica to resurface the Sharp Park Priority Development Area. This Community Project Funding request is associated with the Department of Transportation account for Highway Infrastructure Projects.

The Sharp Park Priority Development Area (PDA) Access Resurfacing project will resurface key streets to allow better access to Pacifica's priority development area of Sharp Park. The project will include key high-traffic streets that require resurfacing for accessing the Sharp Park area of Pacifica, including Sharp Park Road and Francisco Drive. Based on the Metropolitan Transportation Commissions (MTC) Pavement Condition Index (PCI) ratings, these streets are rated in the "At Risk" and "Poor" condition category. The project will utilize both rubber cape seals, an environmentally friendly surfacing product that recycles used tires, and slurry seals along with spot pavement repairs for the resurfacing work.

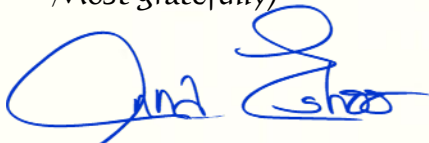

This project is particularly important because Pacifica has the worst pavement condition of any community in the greater San Francisco Bay Area, and the project will provide better access to this priority development area which has one of the greatest potentials for evolution and growing vibrancy in Pacifica. It is the City's civic core and home to many businesses and the iconic Pacifica Pier. Resurfacing these important Sharp Park access roads will promote economic development by encouraging visitors and business establishments in the area.

As an indication of local support, I've enclosed letters from the following local elected officials and community leaders:

- The Honorable Jackie Speier, Member of Congress
- The Honorable Don Horsley, President, San Mateo County Board of Supervisors
- Mr. Kevin Woodhouse, City Manager, City of Pacifica
- Dr. Adrienne Carr, General Manager, North Coast County Water District
- Ms. Theresa Romell, Section Director, Funding Policy and Programs

If enacted, this request would repair roads in a priority development area key to Pacifica's continued economic growth, and it's why I wholeheartedly support this Community Project Funding request and ask that you do so as well.

Most gratefully,

Anna G. Eshoo
