The Honorable Kay Granger,
Chairwoman

H-307, The Capitol

The Honorable Rosa DeLauro,
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Caltrain Grade Crossing Improvements Project in fiscal year 2024. The entity to receive funding for this project is the Peninsula Corridor Joint Powers Board, located at 1250 San Carlos Avenue, San Carlos, California 94070. The funding would be used to make safety improvements at at-grade crossings along the Caltrain rail corridor, including gate mechanism upgrades and relocations, LED roadway pavement markings, installation of new guard rails and signage, construction of concrete track panels, implementation of sidewalk extensions and other important safety enhancements. The project is an appropriate use of taxpayer funds because it will improve safety for transit riders, pedestrians, bicyclists, and drivers along a busy commuter rail corridor.

The project has a Federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that I have no financial interest in this project, nor does anyone in my immediate or extended family.

Sincerely,

Anna G. Eshoo
Member of Congress
