The Honorable Rosa DeLauro,
Ranking Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Campbell Community Center Accessibility Enhancements in fiscal year 2024. The entity to receive funding for this project is the City of Campbell, located at 70 N. First Street, Campbell, California 95008. The funding would be used to make accessibility improvements at the Campbell Community Center, including improved access ramps, improved public counters at all service delivery points, and Americans with Disabilities Act (ADA)-compliant access to all public restrooms. The project is an appropriate use of taxpayer funds because it will improve access to community facilities for residents with mobility impairments.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(5).

I certify that I have no financial interest in this project, nor does anyone in my immediate or extended family.

Sincerely,

Anna G. Eshoo
Member of Congress
