The Honorable Rosa DeLauro, Ranking  
Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Community Services Agency of Mountain View, Los Altos and Los Altos Hills' Facilities Renewal and Expansion Project in fiscal year 2024. The entity to receive funding for this project is the Community Services Agency of Mountain View, Los Altos and Los Altos Hills, located at 204 Stierlin Road, Mountain View, California 94043. The funding would be used for rehabilitating their existing facility to make essential upgrades including repairing the elevator, HVAC system, and roof. The project is an appropriate use of taxpayer funds because it will renovate a facility that provides social services to thousands of the neediest residents in the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, nor does anyone in my immediate or extended family.

Sincerely,

Anna G. Eshoo  
Member of Congress
