The Honorable Kay Granger,
Chairwoman
House Committee on Appropriations
H-307, The Capitol

The Honorable Rosa DeLauro, Ranking
Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Evelyn Affordable Housing Project in fiscal year 2024. The entity to receive funding for this project is the City of Mountain View, located at 500 Castro Street, Mountain View, California 94041. The funding would be used for acquiring land, designing, and constructing an affordable housing development to serve extremely low-income residents, with at least 30 percent of the units reserved for households earning less than 30 percent of the area median income. The project is an appropriate use of taxpayer funds because it will provide much-needed affordable housing for hundreds of the most vulnerable residents in the community.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) and 5305(a)(2).

I certify that I have no financial interest in this project, nor does anyone in my immediate or extended family.

Sincerely,

Anna G. Eshoo
Member of Congress
