The Honorable Kay Granger,

The Honorable Rosa DeLauro, Ranking
Member
House Committee on Appropriations
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Pacifica Pier Handrail Repair Project in fiscal year 2024. The entity to receive funding for this project is the City of Pacifica, located at 540 Crespi Drive, Pacifica, California 94044. The funding would be used for repairing the railing of the Pacifica Municipal Pier, a popular, heavily used recreational area for fishing, crabbing, and sightseeing that attracts visitors from all over the region and the United States. The project is an appropriate use of taxpayer funds because it will provide a safer, more attractive, and more environmentally sustainable recreational area that supports the local economy and preserves an important part of the community's heritage.

The project has a Federal nexus because the funding provided is for purposes authorized by the Coastal Zone Management Act of 1972 (16 U.S.C. § 1451 et seq.).

I certify that I have no financial interest in this project, nor does anyone in my immediate or extended family.

Sincerely,

Anna G. Eshoo
Member of Congress
