The Honorable Rosa DeLauro, Ranking  
Member  
House Committee on Appropriations  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Half Moon Bay Farmworker Homeownership Project Expansion in fiscal year 2024. The entity to receive funding for this project is the County of San Mateo, located at 400 County Center, Redwood City, California 94063. The funding would be used for construction of a manufactured home community for 48 extremely low-income farmworker households in Half Moon Bay. The project is an appropriate use of taxpayer funds because it will provide much-needed affordable housing for some of the most vulnerable residents in the community, several of whom previously lived in substandard housing and experienced a mass shooting at their workplaces.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1) and 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Anna G. Eshoo  
Member of Congress
